RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Restriction Requirement dated September 27, 2004, Applicant elects Group I, Claims 1-20 and 25-27, with traverse. A restriction is improper "[i]f the search and examination of an entire application can be made without serious burden." MPEP §803. Applicant submits that Group I, which recites a "hands-free syringe controller," is so related to Group II, which recites a "foot-actuated syringe controller," that examination of both groups would not create a serious burden.

In view of the above, it is believed that this application is in condition for allowance, and such a Notice is respectfully solicited.

Respectfully submitted,
PILLSBURY WINTHROP LLP
